Are You Missing Me

Elis

Are you missing me
Not knowing where I am?
Out there somewhere
Do you remember me?Do you think of me
When you are on your own?
Do you wish that we
Had the chance to meet?Never met you
Searching my roots
Lack of identity
Searching a proofAre you the one
Searching my roots?
Give me a sign
Searching a proofI hope that you'll agree
Sometimes we will meet
And you'll tell me your reasons
For giving me awayA day so long ago
Did you ever see my face?
Or hold me in your arms
Do you feel sorry now?What were your reasons for
Giving me away?
And still I'm thanking you
Maybe it was the best to doNever met you
Searching my roots
Lack of identity
Searching a proofAre you the one
Searching my roots?
Give me a sign
Searching a proofI hope that you'll agree
Sometimes we will meet
And you'll tell me your reasons
For leaving me aloneI hope that you'll agree
Sometimes we will meet
And you'll tell me your reasons
For giving me awayNever met you
Searching my roots
Lack of identity
Searching a proofAre you the one
Searching my roots?
Give me a sign

Searching a proofI hope that you'll agree
Sometimes we will meet
And you'll tell me your reasons
For leaving me aloneI hope that you'll agree
Sometimes we will meet
And you'll tell me your reasons
For giving me awayDo you think of me
When you are on your own?
Do you wish that we
Had the chance to meet?
