

# final countdown

## DJ Element

We're leaving together,  
But still it's farewell  
And maybe we'll come back,  
To earth, who can tell ?  
I guess there is no one to blame  
We're leaving ground  
Will things ever be the same again?

It's the final countdown

We're heading for Venus and still we stand tall  
Cause maybe they've seen us and welcome us all  
With so many light years to go and things to be found  
I'm sure that we'll all miss her so.

It's the final countdown.
