

Neologic Spasm (Dislocated mix)

Front Line Assembly

So strange is the feeling
Sinking down below
Caught in the current
By the undertow
Silence now is falling
so quiet is the rage
Gasping for another breath
Survival is the game[Chorus]
Dying sensation
Fascination
Expectation
Re-creation
You kick You scream
And try to shout
But no one is there to hear
Water fills up in your lungs
The end is getting near
Attraction sucks you down below
Shockwave hits you hard
Effectors of hypoxia
Now you can't go far
Under the water
where you cannot breathe
Chocking feeling
Sinking deepSo strange is the haze
The colors turning gray
Shadows of illusions
All looking the same
A spectrum of eternal thoughts
left so far behind
Things that we had hoped for
Now will never find
Under the water
where you cannot breathe
Chocking feeling
Sinking deep
[Chorus]
Dying sensation
Fascination

Under the water
where you cannot breathe
Chocking feeling
Sinking deep
Under the water
where you cannot breathe
Chocking feeling
Sinking deep
