

# Desperate Religion

[Atb](#)

You know shes never gonna tell you, if she likes it this way  
You know shes never gonna ask you, if you feel the same  
A fever oh an addiction uh, was it worth it did you give your life away? A fever a desperate religion, and all that  
she can say is Give me just a little bit, uh  
Gimme just a little bit A train that never stops rolling its getting into your blood  
A need that never stops growing shes a poisonous one  
A hope for better days but nothing, oh  
Seems to fix it, uh, now youre wasting way  
Indeed a desperate religion and all that she will say is A desperate addiction  
A familiar affliction  
Denying wont fix it  
This desperate religion
