

# I Don't Wanna Wait

Rosi Golan

No one tells me where to go,  
No one tells me what to do today  
Cause I don't know where I begin,  
I don't know where I'm gonna end today And I feel just like a child,  
Thinking everything is mine, at the drop of a dime  
And I'm walking round this town  
I'm looking up, I'm looking down  
I'm singing, singing out..I don't wanna wait,  
I don't wanna wait,  
I don't wanna wait  
Thinking everything is alright.Moment that I wait,  
or I hesitates a moment that I waste  
And I can see it all passing me by,  
I can see it all passing meThe streets, the bars, the restaurants.  
The foreign tounge, the ambiance they gave.  
A day, a week, a month it seems  
I'm always runnin out of steam and thenOh I feel just like a child,  
running around getting wild,  
Unaware of the time.Cause it's here and then it's not  
and I recall what I forgot  
I'm singing, singing outI don't wanna wait,  
I don't wanna wait,  
I don't wanna wait  
Thinking everything is alright.Moment that I wait,  
or I hesitates a moment that I waste  
And I can see it all passing me by,  
I can see it all passing meThey say, good things come.  
It's worth it.  
But I feel just like a child,  
I feel just like a child  
Singing, singing out..I don't wanna wait,  
I don't wanna wait,  
I don't wanna wait  
Thinking everything is alright.Moment that I wait,  
or I hesitates a moment that I waste  
And I can see it all passing me by,  
I can see it all passing me
