Requiem

Silentium

As We Fell from Grace
Into Infinty
Taunted Was the Night
Dreary Was the HourAnd Here We Lay
Like Broken Arrows
Our Names Forgotten
And the Altarns TornSunk Us Deep into the Soil
Shrive Yourselves Abhornig Us
Sunk Us Deeper into the Earth
Sunk Us Deeper
Seal Us from the Sight of ManNo Son of Man
Would Stand in Here
Solemn Before Thou
Haughtly Before DeathAnd Here We Lay
With Gold Adorned
Your Beauty Forgotten
As Our Tears Fall
