A bunch of stuff that sounds like

So me go dung, me go put her inna coma
Go whey a street, an she tell all fi Lena
An see Lena, go right a di cleaner
She waan di doctor, fi make she waan

So me know seh, di gal a man schema
Wi gon take har in wi truck
Not di B'mer, say she like up
The scent of mi dreamer
Say me know seh
Mi affi draw fi mi steamer
She start scheming
Me ask har

So who's the man, the big willie, yo
(The Doctor)
And who's the man to make yuh dilly, yo
