Heart Break

Nymphea

Don't want another heart break
Heart, heart, heart, heart, heart
Heart, Heart
Heart, Heart break
Heart, Heart break
Don't want another heart break
Don't want another heart break
Heart, Heart break
We used to be so cool oh
I Would do anything for you oh
When you would I call I come running
I held you down while you're frontin
Thought I was more than a woman to you
How could you be so cruel
It's supposed to be me and you
Look what we've been through
Now what am I goin do?
Since you don't love me the same
(I don't want another) Don't want another heart break love
Heart break love
Heart break love
Heart break love
(Said I got to let you know)
Don't want another heart break love
Heart break love
Heart break love
Heart break love
Could it be that I'm a fool for you?
I'm surprised that I ain't see the truth
When I hit you on a text, never text back
Always chillin with your boys, never got that
Ain't worried about it no more, don't stress that
I'm movin on now, I'm sure I'm on the right track
I'm finding that I gotta get away from you
I rather walk alone, than stay and hurt with you
Please don't call my phone
Can't hurt me no more
Cause I finally see that this is just another
Heart break love

Heart break love
Heart break love
Don't want another heart break love

Heart break love
Heart break love
Heart break love
Don't want another heart break love
Heart break love
Heart break love
Heart break love
Don't want another heart break love
Heart break love
Heart break love
Heart break love
I don't want another heart break
Don't want another heart break
Heart, heart, heart, heart, heart
Heart, Heart
Heart, Heart break
Heart, Heart break
Don't want another heart break
Don't want another heart break
Heart, Heart break
Don't want another heart break love
Heart break love
Heart break love
Heart break love
Don't want another heart break love
Heart break love
Heart break love
Heart break love
Don't want another heart break love
Heart break love
Heart break love
Heart break love
Don't want another heart break love
Heart break love
Heart break love
