

Hollow Like My Soul

Emilie Autumn

Hollow like my soul
Hollow like my soul
Hollow like my soul
Hollow like my soul
Hollow like my soul
Hollow like my soul
Hollow like my soul

Like my soul When you think that you'll get by

You will die

You will cry

When you think that you'll survive

Just don't try

Run and hide

My eyes are hollow like my soul You think that you'll get by

You will die

You will cry

When you think that you'll survive

Just don't try

Run and hide

My eyes are hollow like my soul Hollow like my soul

Hollow like my soul Just as I was walking by

My soul died

My heart cried

When you think that you'll survive

Just don't try

Run and hide

My eyes are hollow like my soul So many times I ask myself

So many times I wonder why

So many times I ask myself

So many times I wonder why You feel like you'll get by

You will die

You will die

When you think that you'll survive

Just don't try

Run and hide

My eyes are hollow like my soul

Yeah, my eyes are hollow like my soul Hollow like my soul

Hollow like my soul

Hollow like my soul

Hollow like my soul
(Hollow like my soul) You think that you'll get by
You will die
You will cry
When you think that you'll survive
Just don't try
Run and hide
Run and hide
Run and hide
Run and hide
Run and hide
Run and hide
(Hollow like my soul)
Run and hide
Run and hide
Hide, hide, hide, hide, hide, hide, hide, hide
