

Closure

Chevelle

Breathe, trust, bless me and release
Climb, hard, never be seen
Closed off, rescue to breathe
Just bless me Two sided time
Your rebirth can't hurt
Branch out behind, the pain Closure has come to me myself
You will never belong to me
Closure has come to me myself
You will never belong to me Had to to turn, lay down
Your sting of disease
Phase you out
Should've seen this coming
Go on confusing the soul
Hold my breath 'til you rupture Three days aside
Your rebirth can't hurt
Branch out behind, pride Closure has come to me myself
You will never belong to me
Closure has come to me myself
You will never belong to me Like a leech
I hold on as if we belonged
To some precious pure dream
Cast off, you've seen what's beneath
Now fail me Forget closure
Forget closure
Forget closure
Forget closure Closure has come to me myself
You will never belong to me
(No)
Closure has come to me myself
You will never belong to me
(Belong to me)
So breathe
(Ya)
