

# Amsterdam

## I Love Math

Baby went to Amsterdam  
She put a little money into traveling  
    Now it's so slow, so slow  
Baby went to Amsterdam  
Four, five days for the Big Canal  
    Now it's so slow, so slow  
And I was heading up north to a place that I know  
    Eating well, sleeping well  
But still I was way, way out of line  
    Amsterdam was stuck in my mind  
    Oh, it's some kind of stupid groove  
        That you can't ignore  
    Oh, it's some kind of natural fact  
Sometimes you're just left to be alone  
    Baby went to Amsterdam  
    She put a little money into traveling  
        Now it's so slow, so slow  
    Baby went to Amsterdam  
    Four, five days for the Big Canal  
        Now it's so slow, so slow  
And I got to go away to a place of my own  
    Working hard, fill my time  
From that day on, till I hit the bed  
    Amsterdam was stuck in my head  
    Oh, it's some kind of stupid groove  
        That you can't ignore  
    Oh, it's some kind of natural fact  
Sometimes you're just left to be alone  
    Baby went to Amsterdam  
    She put a little money into traveling  
        Now it's so slow, so slow  
    Baby went to Amsterdam  
    Four, five days for the Big Canal  
        Now it's so slow, so slow  
    Baby went to Amsterdam  
    She put a little money into traveling  
        Now it's so slow, so slow  
    Baby went to Amsterdam  
    Four, five days for the Big Canal

Now it's so slow, so slow, slow
