Stay in Shadow (Burnout 3 OST)

Finger Eleven

So cold that you cannot cope
With a frozen heart
I guess we blow apart
I guessed it from the start Stay in shadow
I'll run this world out
Stay in shadow
It's running out of time
Stay in shadow
I want to watch it drown
Stay in this nowDon't say because you can't
Say what we should have been
Don't show what I resent
Don't know cause I forgetSo cruel to be so blind
Darkness was on my side
Now that you've come and gone
I know where I belongLight is leaving as I watch you go
Light is leaving inside of my soul
