

# Stay in Shadow (Burnout 3 OST)

## Finger Eleven

So cold that you cannot cope  
With a frozen heart  
I guess we blow apart  
I guessed it from the start Stay in shadow  
I'll run this world out  
Stay in shadow  
It's running out of time  
Stay in shadow  
I want to watch it drown  
Stay in this now Don't say because you can't  
Say what we should have been  
Don't show what I resent  
Don't know cause I forget So cruel to be so blind  
Darkness was on my side  
Now that you've come and gone  
I know where I belong Light is leaving as I watch you go  
Light is leaving inside of my soul
