Help Is on the Way

Nancy Lamott

Don?t give up the ship
Even when you feel it?s sinking
And you don?t know what to do
Don?t give up your dream
Even though you may be thinking
It never will come true
Life has it?s own ideas of how things come about
And if you just hang in there, life is gonna work it outHelp is on the way
From places you don?t know about today
From friends you may not have met
Yet
Believe me when I say
I know
Help is on the wayYou don?t have to know
Where the path you?re on is leading
You just have to walk along
Dreaming as you go
Asking for the things you?re needing
You never can go wrong
If you have faith that things are happening as they should
And just believe each step you take is leading you to something goodHelp is on the way
From places you don?t know about today
From friends you may not have met
Yet
Believe me when I say
I know
Help is on the waySo open your heart, Open your mind
No matter how you?ve tried and failed
Tomorrow you could turn and find thatHelp is on the way
From places you don?t know about today
From friends you may not have met
Yet
Believe me when I say
I know
Help is on the way
Help is on the way
Help is on the way
