

# Help Is on the Way

Nancy Lamott

Don't give up the ship  
Even when you feel it's sinking  
And you don't know what to do  
Don't give up your dream  
Even though you may be thinking  
It never will come true  
Life has it's own ideas of how things come about  
And if you just hang in there, life is gonna work it out  
Help is on the way  
From places you don't know about today  
From friends you may not have met  
Yet  
Believe me when I say  
I know  
Help is on the way  
You don't have to know  
Where the path you're on is leading  
You just have to walk along  
Dreaming as you go  
Asking for the things you're needing  
You never can go wrong  
If you have faith that things are happening as they should  
And just believe each step you take is leading you to something good  
Help is on the way  
From places you don't know about today  
From friends you may not have met  
Yet  
Believe me when I say  
I know  
Help is on the way  
So open your heart, Open your mind  
No matter how you've tried and failed  
Tomorrow you could turn and find that  
Help is on the way  
From places you don't know about today  
From friends you may not have met  
Yet  
Believe me when I say  
I know  
Help is on the way  
Help is on the way  
Help is on the way
