Yil Lull

Paul Kelly

I sing for the black for the people of this land.
I sing for the red for the blood that's been shed.
Now I'm singing for the gold *text missing*

Yil lull ah, yil lull ah, yil lull ah, yil lull ah

I sing *text missing*
I sing so much praises it make me want to cry.
Now I' singing just for you so all can recognise.

Yil lull ah, yil lull ah, yil lull ah, yil lull ah
Yil lull ah, yil lull ah, yil lull ah, yil lull ah

Singing for the black
Singing for the red
Singing for the black
Singing for the red and the gold
Stories told young and old

Yil lull ah, yil lull ah, yil lull ah, yil lull ah
Yil lull ah, yil lull ah, yil lull ah, yil lull ah
Yil lull ah, yil lull ah, yil lull ah, yil lull ah
Yil lull ah, yil lull ah, yil lull ah, yil lull ah
