

# Rebel-Rouser

Duane Eddy

Inside out gonna burn tonight  
'Cause the heat is on and the time is right  
Who is the face that's gonna set the pace?  
I'm a rocker, I'm a roller, I'm in outer space Come on, come on, well you come on strong  
With my knees all weak from your lightning streak  
Like a thunder flash, supersonic crash  
He appears, you'll freeze knock your head over heels Alright, alright, alright, alright  
Rebel rouser, rebel rouser  
Cosmic king, worship everything  
'Bout the rebel rouser, rebel rouser Juvenile jive  
Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser He got U.V. eyes that can hypnotize  
And his sky high lies infrared disguise  
Who is the guy who's gonna catch your eye?  
I'm a supersonic razor lasered from the sky Look out, look out, when the rebel's out  
He can chill your veins, explode your brain  
He was born to rule, baby, he's no fool  
He was heaven sent, but his soul's hell bent Alright, alright, alright, alright  
Rebel rouser, rebel rouser  
Cosmic king, worship everything  
'Bout the rebel rouser, rebel rouser Juvenile jive  
Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser He's a rebel, he's a rebel  
He's a rebel, he's a rebel Alright, alright, alright, alright  
Rebel rouser, rebel rouser  
Cosmic king, worship everything  
'Bout the rebel rouser, rebel rouser Juvenile jive  
Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser
