

# None of the Above

## Duran Duran

I am, I myself alone  
Realize, I never had to use no one  
When it comes down to my soul  
Freedom puts my faith in none of the above  
There was a time I was so afraid  
Of everything people around me said  
That I wanted to hide my face in the shadows  
There was a time on a bed of nails  
I was dreaming a plan I thought could not fail  
But no power under the sun could pull it together  
I can't take this attitude  
Got to show now I got to move on  
God knows where I'm going to  
It's a lonely burning question  
I am, I myself alone  
Realize I never need to use no one  
Money, power, holy roads  
Freedom puts my faith in none of the above  
If there's a time, that we ever see  
The nature of life in reality  
'Cause I want to be there  
To kick at the answer  
I can't take this attitude  
Got to show now I got to move on  
God knows where I'm going to  
It's a lonely burning question  
I am, I myself alone  
Realize I never need to use no one  
Money, power, holy roads  
Freedom puts my faith in none of the above  
I am, I myself alone  
I realize I never need to use no one  
When it comes down to my soul  
Freedom puts my faith in none of the above  
I am, I myself alone  
Realize I never need to use no one  
Money, power, holy road  
Freedom puts my faith in none of the above  
I am, I myself alone  
I realize I never need to use no one  
When it comes down to my soul  
Freedom puts my faith in none of the above  
None of the above  
My faith in none of the above  
None of the above  
I stand by none of the above  
None of the above  
I stand by none of the above
