All Across This Land

Blitzen Trapper

Welcome to Earth my son,
you're here just in time.
There's so much to learn,
so many ways you can shine.
Cuz love is forever,
but forever ain't long, no.
It runs like a dirt road
and it ends like a song, yeah.
In all my travels,
won't you take my hand.
Gonna raise it up all across this land, yeah.
Welcome to Earth my son,
take a look all around.
There's billions of folks like you
makin' all kinds of sound.
Cuz desire's a feeling like a hole in your hand, yeah.
But love ain't no feeling man,
just a rock you can stand on.
In all my travels,
won't you take my hand.
Gonna raise it up all across this land.
And all my trials,
won't you take my hand.
Gonna raise it up all across this land.
Welcome my one true love.
Welcome my one true love.
Welcome.
In all my travels,
won't you take my hand.
Gonna raise it up all across this land, yeah.
In all my travels,
won't you take my hand.
Gonna raise it up all across this land, yeah.
In all my travels,
won't you take my hand.
Gonna raise it up all across this land, yeah.
