

# Tell Me

[Darren Styles](#)

Tell me that you want me  
Tell me that feel me  
Tell me that you want me  
Tell me that you feel meTheres something about you  
and the way you look tonight  
I wanna get closer  
'Cause you making me feel alrightI feel a connection baby  
And its taking over me  
Im holding on to this feelin  
'Cause i know you set me freeTell me that you want me  
Tell me that you need me  
Tell me that you want meTell me that you want me  
Just tell me that you care  
Tell me that you feel me  
And you know i will be thereTell me that you love me  
So common let me know  
Holding you forever  
And Ill never let you goI know that you want me  
I can see it in your eyes (see it in your eyes)  
Something started to happen  
And its making me feel alrightImagine a feelin  
And its burning deep inside  
I'm holding on forever  
I need you here tonightWanna get closer  
Wanna get closerTell me that you want me  
Tell me that you need meTell me that you want me  
Just tell me that you care  
Tell me that you feel me  
And you know i will be thereTell me that you love me (Tell me that you love me)  
So come on let me know  
Holding you forever (Holding you forever)  
And Ill never let you go
