

# Not Just You

Cody Simpson

Darling,  
I know your heart's seen better times  
I know our songs had better rhymes  
Before today  
No  
Darling,  
I guess I made the wrong mistakes  
I understand if you need your space  
Please take your time  
Before you go away  
So far away  
You need to realize  
Baby, it's not just you  
You know it hurts me too  
Watching you leave  
With tears on your sleeve  
Dont you notice that mine aren't exactly dry  
Baby, it's not just you  
That's hurting  
It's me too  
I'm sorry  
I wasn't there to catch the fall  
I didn't hear you when you called  
All of those nights  
Please don't forget the good things we need  
I can make back the heart aching grief  
When it gets dark and it's hard to see  
I'll turn on the lights  
Before you go away  
So far away  
I really need you to know  
Baby, it's not just you  
You know it hurts me too  
Watching you leave  
With tears on your sleeve  
Notice that mine aren't exactly dry  
Baby, it's not just you  
That's hurting  
It's me too

I'm not giving up  
You don't have to leave  
I am willing to beg till i break my knees  
I belive in us  
Don't give up on me  
Girl, I know that you're hurting  
And I'm sorry for the pain  
I promise that I'll change  
Forgive me  
Forgive me  
Baby, its not just you  
You know it hurts me too  
Watching you leave  
With tears on you're sleeve  
Notice that mine arn't exactly dry  
(Not exactly dry baby)  
Baby, it's not just you  
You know it hurts me too  
We had it all  
How could we fall  
Baby, I thought we would never die  
Baby, it's not just you  
That's hurting  
It's me too  
Not just you  
Baby, it's not just you  
Baby, it's not just you  
.....  
Not just you  
Baby, it's not just you  
Baby, it's not just you  
.....  
Not just you  
Baby, it's not just you  
Baby, it's not just you
