Early Morning Anger

Lo-Pro

When I hung up the phone this morning
I could hear it in your voice
Just a second of your time is all I wanted
Just a second of your time is all I needed
Was I so out of line to think you'd be there?
Was I out of my fucking mind to think you'd care?Lately I've begun to feel like I'm unwanted
And lately all the things I've done go unnoticed
go unnoticed
go unnoticed
go unnoticedEarly morning anger
Ruins my whole day
And I've wasted so much time dwelling on it
But I can't seem to find a reason for it
Was I so out of line to think you'd be there?
Was I out of my fucking mind to think you'd care?Lately I've begun to feel like I'm unwanted
And lately all the things I've done go unnoticed
go unnoticed
go unnoticed
go unnoticedWhen you hung up the phone this morning
You didn't hear me say goodbyeLately I've begun to feel like I'm unwanted
And lately all the things I've done go unnoticed
go unnoticed
go unnoticed
go unnoticed
