## Fat White Family

Why don't you talk to me?  
I'm much too thirsty  
I'm much too thirsty to pour  
A tall drink of water  
The double-yellow lines  
When the dear () eyes  
Reaps them you as high  
I need a man  
Satisfied  
Satisfied

() spends an hour on heroin  
My ball sweet benevolent ()  
Took that cream old Levi's  
sucking the marrow out of a bone  
the double yellow lines  
Beneath the bus stop of your mind  
Oh leave that man outside  
He said "It's fine"  
Ooooooh  
Satisfied  
oooooh  
Satisfied

Satisfied Satisfied I'm so easily satisfied
