Seven Seas

TNT

Long ago we sailed with fury
Across the oceans of the world
The legend lives, it stays forever
We are ready so bewareWe are rulers of the ocean
Kings of seven seasStrong - we'll fight for king and country
With power left to spare
The longboat force is back again
To take on all the worldWe are rulers of the ocean
Kings of seven seasWe are immortal
The glory's in our hands
For blood is our hunger
We know where we stand
