

Strength of My Heart

Rend Collective

jesus, my soul is fearless
for you are with us
fighting for us
in the valley of shadows
you are still with us
fighting for us
jesus, my soul is fearless
for you are with us
fighting for us
in the valley of shadows
you are still with us
fighting for us
fighting for us
my defender
you are invincible
my strong tower
you are unshakable
mighty savior
your love is unbreakable
you are the strength of my heart 4x
stronger than any weakness
you are more fortress
you are for us
yes, you are reigning forever
ruling in power
you are for us
my defender
you are invincible
my strong tower
you are unshakable
mighty savior
your love is unbreakable
you are the strength of my heart 4x
your love is holding on
through every valley 2x
when life is failed me
you hold on
my defender
you are invincible

my strong tower
you are unshakable
mighty savior
your love is unbreakable
you are the strength of my heart 4x
