

Turn Back Time

Steve Hackett

I'm not on the ball
Living in a world of so much change
Thought that I might be much stronger
When I'm far away from you
What I'd give to learn to
Turn back time Sometimes words are dancing
Like caterpillars moving on a page
I would send you all my letters
Feels like living in a cage
What I'd give to learn to
Turn back time Your love is bound to see me through
Your warmth is bound to find a way
Your touch is all I really need
Your smile the one and only key I'm not on the ball
Living in a world of so much change
Thought that I might be much stronger
When I'm far away from you
What I'd give to learn to
Turn back time
