

Remember Love

Yoko Ono

Remember love, remember love,
Love is what it takes to sing
Remember love, remember love,
Love is what it takes to meet
Remember love, remember love,
Love is what it takes to live
Remember love, remember love,
Love is what it takes to dream
Remember love, remember love,
Love is what it takes to see
Remember love, remember love,
Love is what it takes to meet
Remember love, remember love,
Love is what it takes to live
Remember love, remember love,
Love is what it takes to tie
Remember love, remember love,
Love is what it takes to live
Remember love, remember love,
Love is what it takes to tie
Remember love, remember love
Love
Remember love
Love
Love
