

Come On Get Up

Janet Jackson

{Jimmy, can you turn the backgrounds up a little bit please? I love this} Come on get up

Come on get up

Come on get up, baby

Before you make me change my mind

Come on get up, baby

So we can dance all through the night I feel so free

Could it be the way you're lovin' with me

Between the sheets my mind was tellin' me

Now I see the single life's for me Never thought I'd be

This crazy for you, baby

Gotta spell on me

It's voodoo

Aww, come and get me off

The way your body moves

It drives me damn baby

Now what I wanna see

If you shake that ass for me so Come on get up, baby

Before you make me change my mind

Come on get up, baby

So we can dance all through the night I feel alive and this smile

Because you're on my mind

All the time

Sexually you please

Mentally

I like your style Never thought I'd be

This crazy for you, baby

Gotta spell on me

It's voodoo

Aww, come and get me off

The way your body moves

It drives me damn baby

Now what I wanna see

If you shake that ass for me so Come on get up, baby

Before you make me change my mind

Come on get up, baby

So we can dance all through the night

Come on get up, baby

Before you make me change my mind

Come on get up, baby

So we can dance all through the nightCome on get up, baby
Before you make me change my mind
Come on get up, baby
So we can dance all through the night
Come on get up, baby
Before you make me change my mind
Come on get up, baby
So we can dance all through the nightLet me see you shake it all night
Let me see it move it all night
Wanna see you shake it all night
I've got to see you groovin' on all night
Let me see you shake it all night
Let me see it move it all night
See it little babe all night
I have to see it shake it all nightCome on get up, baby
Before you make me change my mind
Come on get up, baby
So we can dance all through the night{I'm hot in here, jeez
I'm vibrating}
