Stop Forwarding That Crap to Me

"Weird Al" Yankovic

log-i sand keeps falling through the hourglass
And there's no way we're gonna slow it down.
You say, "We've got to treasure each moment."
Who knows how long we're gonna be around?Yeah, you keep on telling me life is short,
And it's hard to disagree with what you say.
But, if time is so precious why you wastin' mine?
Cause I'm always reading; always deleting
Every useless piece of garbage that you send my way!Every stupid hoax, all those corny jokes,
Stop Forwarding That Crap to Me.
Well I don't need tons of cringe inducing puns,
Stop Forwarding That Crap to Me.No, it isn't OK if you brighten my day
With some cut and pasted hackneyed Hallmark poetry.
And I didn't request a personality test.
Stop Forwarding That Crap to MeYou're sending virus laden, bandwidth hogging attachments
To every single person you know.
You're passing around a link to some dumb thing on You Tube
That everybody else already saw 3 years ago.And wacky, badly, photoshoped billboards were never that amusing to me.
And I just can't believe you believe those urban legends
But I have high hopes, someone'll point you towards Snopes
And debunk that crazy junk you're spewing constantly.No, I don't want a bowl of chicken soup for the soul.
Stop Forwarding That Crap to Me.
Send more top ten lists and I'll slash my wrists
Please, Stop Forwarding That Crap to MeWell I'm sorry I can't accept your paranoid rant
And I don't want the Nieman-Marcus cookie recipe.
Won't you kindly refrain, 'cause it's hurting my brain.
Stop Forwarding That Crap to MeLike glittery hearts and unicorns and pictures of some body's cat
Now tell me, in what alternate reality would I care about something like that?And, by the way, your quotes from George Carlin aren't really George Carlin!
Mr. Rogers never fought the Viet Cong
And Bill Gates is never gonna give me something for nothing
And I highly doubt some dead girl's gonna kill me if I don't pass your letter alongWell I know you're wishin' I will sign your petition,
But, Stop Forwarding That Crap to Me.
And I don't wanna read your series of conspiracy theories,
Just Stop Forwarding That Crap to Me.And your 2 million loser friends all have my address now
Cause you never figured out the way to BCC
Now, I got to insist
Take me off of your

Stop Forwarding That Crap to MeStop Forwarding That Crap to Me.
