## Copeland

Am I sleeping with my eyes wide?  
Am I alone?  
Am I staring into bright lights?  
Have I gone home? I must be dreaming that I'm sitting here  
On someone else's throne  
Am I sleeping with my eyes wide?  
Won't you let me know Will I wake to find you waiting by my bedside?  
Will I wake to find you waiting by my side? Am I sleeping with my eyes wide?  
Am I alone?  
Am I following the lines on a face that's never shown? I wanna see your hairline and cheekbones  
Your red lips on your cell phone  
Won't you let me know? Will I wake to find you waiting by my bedside?  
Will I wake to find you waiting by my side?
