93 Million Miles

Machinecode

Where does your garden grow?
Tell me the secrets that you know
Another time, another place
Where are the holy ones?
Selling the secret to the sun
Welcome to the universe
Cross the line, redefine
Lose your mind, come crawl inside
Hey, hey, hey, hey what've you got?
It doesn't matter to me
'Cause I don't want them
I'm not the only one
The unified divide among and then deny
Now could you kindly cut to the chase?
It's like some other song
Pretty but something's always wrong
Show me the secret mason sign
Cross the line, redefine
Lose your mind, come crawl inside
Hey, hey, hey, hey what've you got?

It doesn't matter to me
'Cause I don't want them
I'm not the only one
Hey, hey, hey, hey what've you got?
It doesn't matter to me
'Cause I don't want them
I'm not the only one
See, it's in your eyes
Come break me down
Come break me
Hey, hey, hey, hey what've you got?
It doesn't matter to me
'Cause I don't want them
I'm not the only one
Hey, hey, hey, hey what've you got?
It doesn't matter to me
'Cause I don't want them
I'm not the only one

Hey, what've you got?
