

# We Rock (Remastered)

## DIO

You watch their faces  
You'll see the traces  
Of the things they want to be  
But only we can see They come for killing  
They leave and still it seems  
The cloud that's left behind  
Oh, can penetrate your mind But sail on, sing a song, carry on  
'Cause we rock, we rock, we rock, we rock  
We pray to someone  
But when it's said and done It's really all the same  
With just a different name  
So many voices  
All giving choices If we listen they will say  
Oh, we can find the way  
But we'll sail on, sing a song, carry on  
'Cause we rock, we rock, we rock, we rock We rock, we rock, we rock, we rock  
We rock!  
We rock  
You watch their faces You'll see the traces  
Of the things they want to be  
But only we can see  
They come for killing They leave and still it seems  
The cloud that's left behind  
Can penetrate your mind  
Sail on, sing a song, carry on 'Cause we rock, we rock, we rock, we rock  
We rock, we rock, we rock, we rock  
Ride out, stand and shout, carry on  
Sail on, sing your song, carry on 'Cause we rock, we rock, see how we rock  
We rock  
That's rock  
We rock We rock
