Moxy

Ne' Richa

Verse 1:
They say they love my pretty brown eyes
I told them, take it easy
Im single for the night
I gave em a million reasons
Many years ago
To fuck with, if you didnt
Compadre, hit the door
No time on my hands
So many bones to pick
So many kisses to get from the locals
While on island trips
Like a duffle bag, I implore you to invest me
Aint nothing illegal bout me, except my sexyChorus:
If you do it
Do it one time for me
With the attitude, that I love indeed
And Ill, and Ill
Ill do it back
With my moxy, and my hate turned back (2x)Verse 2:I dont really know, if theyre attracted to the name
But, its ringin bells
Like the holidays
I probably caused disturbances, and turbalences
Sinced I stepped on stage and started
Kirkin and shit
I was unexpected, but no apologies
And, I be damned if I let these broads bother me
They breakin sweat, just to speak of me despicably
But, if youre with me
Then I rep you, infinitely
Chorus:
If you do it
Do it one time for me
With the attitude, that I love indeed
And Ill, and Ill
Ill do it back
With my moxy, and my hate turned back (2x)
Verse 3:From the bottom to the bottom
To the top, I made progress

Faith without works, is like
You haters talkin nonsense
And, even if I gave a damn about yall
It would equal less than if I gave a fuck about yall
Aint nobody on my side
Except them bodies that I cover
Worst come to worst
Its my temper you discover
In the meantime, I mean business
I meant to call you boo
But, Im mean as shit
When it comes to my money dibsChorus:
If you do it
Do it one time for me
With the attitude, that I love indeed
And Ill, and Ill
Ill do it back
With my moxy, and my hate turned back (2x)
