

He'll Have to Go

Elvis Presley

Put your sweet lips a little closer to the phone
Just pretend that we're together all alone
Tell the man to turn the jukebox way down low
You can tell your friend there with you, he'll have to go
You can't say the words I want to hear
When you're with another man
If you love me, answer, yes or no
Darling, I will understand
Put your sweet lips a little closer to the phone
Just pretend we're together all alone
We'll tell the man to turn the jukebox way down low
You can tell your friend there with you, he'll have to go
You can't say the words I want to hear
When you're with another man
If you love me, answer, yes or no
Darling, I will understand
