

Makes You Wanna Sang

[Craig Campbell](#)

Makin' footprints in the red dirt clay
Pickin' butter beans in the Georgia Rain
Whittlin' away, watchin' the day bloom
Sun kissed sheets dryin' on the line
Salt and pepper 'mators right off the vine
Watermelon shine, just a sip'll do Makes you wanna sing
Mmm, mmm, mmm, mmm Two hearts carved in a pecan tree
Sweet honey suckle bumble bees
Danglin' your feet where the water's cool
Porch boards creakin' as the rockin' chair sways
Red and white bobber just bobbin' away
Crickets serenade another gospel tune Makes you wanna sing
Mmm, mmm, mmm, mmm Aw, it feels so good, it hurts
Memories so warm
They're hard to put into words Makes you wanna sing
Mmm, mmm, mmm, mmm Everybody sing
Mmm, mmm, mmm, mmm Aw, let me here ya sing
Mmm, mmm, mmm, mmm
Mmm, mmm, mmm, mmm
