A Love Like War

All Time Low

Make a wish
On our sorry little hearts
Have a smoke
Pour a drink
Steal a kiss in the darkFingernails on my skin
Like the teeth of a shark
I'm intoxicated by the lieIn the chill of your stare
I am painfully lost
like a deer in the lights
of an oncoming busFor the thrill of your touch
I was shamefully lust
As you tell me we're nothing
but troubleHearts on fire tonight,
Feel my bones ignite,
It feels like war, war
It feels like war, war
Hearts on fire tonight,
Feel my bones ignite
It feels like war, war
It feels like war, warWe go together
Or we don't go down at allFail safe trigger
Lock down,
Call, wipe
The dry clean slateQuick sound the alarm,
No escape from the truth,
And the weight of it all
I am caught in a web of a lieAnd the bitch of it all
is that I'm running from
the desire of the people
to whom I belongAt the end of the day
You can tell me I'm wrong
'Cause you went
through all of this troubleHearts on fire tonight
Feel my bones ignite
It feels like war, war
It feels like war, war
Hearts on fire tonight
Feel my bones ignite
It feels like war, war

It feels like war, warWe go together
Or we don't go down at all(Oh, let's go!)Alex
Hearts on fire tonight
Feel my bones ignite
It feels like war,
It feels like warVic (and Alex)
Hearts on fire tonight
Feel my bones ignite
It feels like war, war
It feels like war, war
Hearts on fire tonight
Feel my bones ignite
It feels like war, war
It feels like war, warWe go together
Or we don't go down at allIs this the end of us?
Or just the means to start again?
