Ride On

America

(Dewey Bunnell and Adam Schlesinger)Ride On into the driving rain
Once more follow the trail
Long gone into the setting sun
Ride On you must not failSpeak out carry the message forth
Make time use every day
Reach out to every shining star
Ride On follow the wayAnd if your journey should end in the promised land
Make sure to speak with a voice loud and true
Shalalalala shalalalala shalalalala
Ride OnRide On into the driving rain
Once more seek out the fire
Reach out to every shining star
Ride On you must not tireAnd if your journey should end will you understand
What you have learned and what you've been through
Shalalalala shalalalala shalalalala
Shalalalala shalalalala shalalalala
Ride On, Ride On, Ride On, Ride On, Ride On, Ride On
