

I Feel You

Placebo

I feel you
Your sun it shines
I feel you
Within my mind You take me there
You take me where
My kingdom comes You take me to
Leave me through
Babylon This is the morning of our love
It's just the dawning of our love I feel you
Your heart it sings
I feel you
The joy it brings Where heaven waits
These golden gates
Back again You take me to
Leave me through
Oblivion This is the morning of our love
It's just the dawning of our love I feel you
Your precious soul
I'm a whole I feel you
Your rising sun
My kingdom comes I feel you
Each move you make
I feel you
Each breath you take Where angels sing
And spread their wings
Our love's on high You take me home
To glory's throne
By and by This is the morning of our love
It's just the dawning of our love
This is the morning of our love
It's just the dawning of our love I feel you
Your precious soul
I'm a whole I feel you
Your rising sun
My kingdom comes
