How much is the fish? How much is the fish?

Don't mention hamburgers, Harry!

I forgot the toothpaste!

Peter! Peter!

I've forgotten the toothpaste!

Peter! Where's peter?

What do you mean i have to kill a banker's suitcase man?

Look! There's an idiom

How much is the fish?

How much is the fish?

don't mention hamburgers harry

Is that the queen's house?

May I have some fritters please?

How much is the fish?

HAMBURGERS HARRY

I've forgotten the toothpaste!

Peter! Peter! Peter!

How do I get off the bus!
