

Fit to Be Tied

The Veldt

(intro)

Yes it all comes down to you
Yes it all comes down is true
You can say i told you so
And I know just how you feel
You seem so cold, and it feels so real
And im so satisfied
Im so satisfied
I feel gratified
Im so satisfied

Chorus

(Sad movies always make me cry
The way you hold me, oh im fit to be tied, yeah) x4

The world was built around you
Of all thats sad and true
Will you cry insanity
I can see just what you need
And I feel so old
And the world seems cold
And im so satisfied
Im so satisfied
I feel gratified
I feel gratified

Chorus

(Sad movies always make me cry
The way you hold me, oh im fit to be tied, yeah) x4

(Guitar)
