

Keep the Flame Burning

HammerFall

Standing at the crossroads, where the future meets the past
Oh can't you feel, there's magic in the air
We're noble knights and mighty men, with the power to assay
Faithful and true, let our deeds show you the way
Glorious, we live and we die
Our courage will unite
In our hands we hold the future, carry on
In our hearts, eternally, we Keep The Flame Burning
Hear the sound of roaring thunder, and the sound of raging
steel
In the battle of thrust our spirits will reveal
Glorious, we'd rather die
With honor than to live with shame
In our hands we hold the future, carry on
In our hearts, eternally, we keep the flame...
Burning deep inside forever, shining on
And in our hearts for all eternity we Keep The Flame Burning
We stay as we are, now the first crusade is won
Let it be written, let it be done
In our hands we hold the future, carry on
In our hearts, eternally, we keep the flame...
Burning deep inside forever, shining on
And in our hearts for all eternity we Keep The Flame Burning
