

Sad Sad City

Ghostland Observatory

Been gettin' tired of my motor runnin'
Feelin' over heated 'cause my life keeps comin'
My hearts been troubled by the speed of loveSearchin' the streets for a soul committee
Talkin' ideas on lust and pity
The fables I've found have no place at homeWell, I need you to want me
To hold me, to tell me the truth
Say I need you to want me
To hold me, to tell me the truth, yeahAin't no party in a sad, sad city
Ain't no party in a sad, sad cityWell, roll the dice, pay the price
Dance with wolves in a pack of lies
The blood we crave shall drive us all insaneYeah, outer space, it's a lovely place
The long lost love in flower vase
Layin' on the floor shattered, battered and bruisedWell, I need you to want me
To hold me, to tell me the truth
Say I need you to want me
To hold me, to tell me the truth, yeahAin't no party in a sad, sad city
Ain't no party in a sad, sad city
Ain't no party in a sad, sad cityI need you to want me
To hold me, to tell me the truth
Say I need you to want me
To hold me, to tell me the truth, yeahAin't no party in a sad, sad city
Ain't no party in a sad, sad city
