Sad Sad City

Ghostland Observatory

Been gettin' tired of my motor runnin' Feelin' over heated 'cause my life keeps comin' My hearts been troubled by the speed of loveSearchin' the streets for a soul committee Talkin' ideas on lust and pity The fables I've found have no place at homeWell, I need you to want me To hold me, to tell me the truth Say I need you to want me To hold me, to tell me the truth, yeahAin't no party in a sad, sad city Ain't no party in a sad, sad cityWell, roll the dice, pay the price Dance with wolves in a pack of lies The blood we crave shall drive us all insaneYeah, outer space, it's a lovely place The long lost love in flower vase Layin' on the floor shattered, battered and bruisedWell, I need you to want me To hold me, to tell me the truth Say I need you to want me To hold me, to tell me the truth, yeahAin't no party in a sad, sad city Ain't no party in a sad, sad city Ain't no party in a sad, sad cityI need you to want me To hold me, to tell me the truth Say I need you to want me To hold me, to tell me the truth, yeahAin't no party in a sad, sad city
