Everytime

The Gris Gris

[CHORUS:]
Ladies!
(Lady)
Everytime I feel the spirit moving in my heart
I'm gonna pray
I clap my hands I stomp my feet
Now watch me praise it to this beat
(Deitrick)
Everytime I feel it moving in my heart
I'm gonna pray
I clap my hands I stomp my feet
Now watch me praise it to this beat
Lora who are you to tell me I can't praise?
Who are you? who are you?
'cause I been through the storm and the rain
Been through the rain
Never thought that I would make it this far
There's a praise down in my heart
[CHORUS]
Oh whoa oh oh! I will praise him everyday of my life
And praising him makes me feel allright
And I can feel it from my head to my toes
And his love is deep down in my soul
[CHORUS]
Left, right
Left, right
Back, forth
Come on
[END CHORUS]
