Today (Yonderboi Mix)

Junkie XL

You've got the bluest eyes
That I have seen
Lost up in the skies
Caught in a dream
What you whisper to me
And breathe into my veins
And believe in magic
To wash away the stainAnd it feels like today
So just hold on tight
And let it slip away
X2Give me all the weight
That holds you down
Don?t let it stop
And burn in for the sound
And the world keeps moving
It's all I've ever known
And I know inside that
I'll never be aloneAnd it feels like today
So just hold on tight
And let it slip away
