

Abbie Hoffman

The Baghdaddios

Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so

He set the establishment on itâ€™s ear, from Kent State to Chicago, might notâ€™ve agreed with what he said.....
.....But still you had to listen.....

He did weird things to make you notice - long before the yuppies - but once the war was over, no one cared.....
.....And he joined the missing.....

Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so
Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so

And uniforms of tattered jeans give way to chic designer threads - and mineral spring water.....
.....Gets imported now from France.....

And voices from the inner city that once possessed an edge - are rappinâ€™ instead of protesting.....
.....Oh weâ€™d rather all break-dance
(let me hear yaâ€™)

Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so
Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so

Oh Abbie - this whole world is different - than it was some 20-odd years ago.....
Just when you felt that people were listening - the world grew cold - and you grew old.....

Abbie took his life in â€™89 - long after people stopped caring - what Mayor Daley couldnâ€™t kill.....
.....Abbie finished off himself.....

And half the kids on campuses - couldnâ€™t tell you who the hell he was....Abbie Hoffmanâ€™s dead.....
.....And I donâ€™t feel so well.....

Right after Abbie died the students through a protest - at first glance his spirit seemed embodied
In this exhibition.....

The students thrust their collective fists - but Abbie wasnâ€™t smiling - the reason they had come together.....
.....Was to protest a raise in their tuition

And Abbie - this whole world is different - than it was some 20-odd years ago.....
Just when you felt that people were listening - the world grew cold - and you grew old.....
(yeah, yeah, yeah....)

Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so
Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so
Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so
Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel.....
Abbie Hoffmanâ€™s dead.....well now Abbie Hoffmanâ€™s dead....Well now Abbie Hoffmanâ€™s dead....Oh no

Hoffmanâ€™s dead.....nooooo.....nooooo.....

Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and I donâ€™t feel so
Abbie Hoffmanâ€™s dead - and I donâ€™t feel so good myself....Abbie Hoffmanâ€™s dead - and - I - donâ€™t feel
