The Iron Worm

Quasi

I don't care if it gets too cold.
I don't care if it gets too old.
I don't care if I'm all alone.
I don't care that you'll never know.
I don't care if you don't love me
And I don't care if you never loved me.
Even when I'm with you I'm not there.
I don't know where I am.
I don't want to suffer or cause no suffering
But then again, I don't care
