

The Iron Worm

Quasi

I don't care if it gets too cold.

I don't care if it gets too old.

I don't care if I'm all alone.

I don't care that you'll never know.

I don't care if you don't love me

And I don't care if you never loved me.

Even when I'm with you I'm not there.

I don't know where I am.

I don't want to suffer or cause no suffering

But then again, I don't care
