

Fly Away (Butterfly Reprise) [Fly Away Club Mix]

[Mariah Carey](#)

Don't be afraid to fly
Spread your wings
Open up a door
So much more inside Don't (don't)
Be afraid to fly (be afraid to fly)
Come spread your wings and just fly with me, and you'll see why
It's alright to
Fly
Fly
Just fly
Just fly
Don't be afraid
Don't let your spirit die
Just Spread your wings and prepare to fly
For you have become a butterfly
Spread your wings and prepare to fly
For you have become a butterfly Spread your wings and prepare to fly
For you have become a butterfly
Spread your wings and prepare to fly
For you have become a butterfly Don't be afraid to fly
Don't be afraid to just fly
Don't be afraid to just fly
Butterfly
Baby, fly, fly, fly, baby, fly
Butterfly, butterfly, butterfly, butterfly
Butterfly, butterfly Spread your wings and prepare to fly
For you have become a butterfly
Spread your wings and prepare to fly
For you have become a butterfly Fly away (butterfly, butterfly)
Fly away (butterfly, butterfly)
Fly away (butterfly, butterfly)
Fly away (butterfly, butterfly)
Fly away (butterfly, butterfly)
Fly away (butterfly, butterfly)
Butterfly
