Save Your Love (Classical Mix)

Bad Boys Blue

It started one night in Milano
A candle-light dinner, Italian style
We danced - she whispered "Ti amo"
A morning came, and we had to say:
Good-bye - so hold me once more
Good bye - and kiss me one more time
Just one more timeSave your love
Until I will return
Let the flames of fire burn
In your heart forever
Save your love
Don't give it someone new
Everything is up to you
Till I'm back foreverShe gave me one night of devotion
A fire of love was burning inside
I couldn't escape my emotions
And I nearly died when we had to say:
Good-bye - I want you to stay
Good-bye - so please, come back one day
Come back some daySave your love
Until I will return
Let the flames of fire burn
In your heart forever
Save your love
Don't give it someone new
Everything is up to you
Till I'm back forever
